15 Subject: Petition to Revive Abandoned Application Under the Provisions of 37  
CFR §1.137(b)

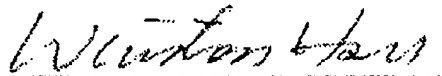

Dear Sir,

20 This is a petition under 37 CFR 1.137(b) to revive the above-identified application, which became abandoned on 01/20/2006 for failure to timely file corrected drawings as required by, and within the three-month period set in, the Notice of Allowability.

25 The entire delay in filing corrected drawings required by the Office Action mailed on 11/16/2004 and the Notice of Allowability mailed on 09/12/2005 was unintentional. On 02/14/2005, the applicant missed to respond to the Notice of Draftsperson's Patent Drawing Review (PTO-948) while filing the Response to the Office Action mailed on 11/16/2004. On 10/06/2005, the applicant neglected the  
30 requirement of filing the corrected drawings while paying the issue fee and publication fee, because the applicant thought that the corrected drawing had been submitted before.

This petition is to revive the above-identified application and the petition fee \$1,500.00 required by 37 CFR 1.17(m) are submitted. The corrected drawings required by the Notice of Draftsperson's Patent Drawing Review are also submitted with this petition. The applicant hereby requests that the above-identified application  
5 can be revived and the corrected drawings can be considered.

Sincerely yours,

**AMENDMENT**

Sir:

- 5 In response to the Notice of Abandonment of January 20, 2006, please amend the above-identified application as follows:

**Amendments to the Drawings** begin on page 2 of this paper and include both an attached replacement sheet and an annotated sheet showing changes.

**Remarks/Arguments** begin on page 3 of this paper.

- 10 An **Appendix** including amended drawing figures is attached following page 4 of this paper.

**Amendments to the Drawings:**

The attached sheet of drawings includes changes to Fig. 1, 2, 5, and 6. This sheet, which includes Fig. 1, 2, 5, and 6 replaces the original sheet including Fig. 1, 2, 5, and 6.

**REMARKS/ARGUMENTS**

The present application is officially abandoned because the requirement of submitting new formal drawings listed at the Notice of Allowability dated 9/12/2005 was not submitted before the due date 12/12/2005. A petition to revive the above-identified application under 37 CFR 1.137(b) is hereby requested.

(1) New formal drawings attached.

The formal drawings of the present applications are attached with this petition.

(2) Petition fee set forth in 37 CFR 1.17(m)

The petition fee set forth in 37 CFR 1.17(m) is included.

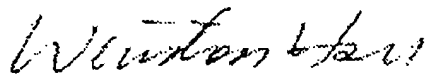

(3) Statement for the unintentional delay of the above-identified application

The above identified application became abandoned for failure to submit the new drawings to the USPTO according to the Notice of Allowability mailed on 9/12/2000. The reason that it became abandoned is because the undersigned agent didn't notice the Notice of Draftspersons's Patent Drawing Review and also didn't notice that there was such a requirement in the Notice of Allowability. This is the reason why the issue fee was paid timely on 10/6/2005 but the new drawings were not submitted at all before the due date.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Sincerely yours,
